<b>Footnote Number</b>	<b>Footnote Text</b>
1	Year to year thereafter, subject to termination upon 12 months (1 year) notice by either party.
2	The original contractual customer category is Rate Schedule TF-1 (Small Customer); however, pursuant to section 2.1(d) of Rate Schedule TF-1, the customer may periodically convert all of its service temporarily to TF-1 (Large Customer) status.
3	Year to year thereafter, subject to termination upon 12 months (1 year) written notice by Shipper.
4	The Index of Customers report does not show subscribed capacity relating to approved or pending segmented releases, point amendments or contract requests that were made on capacity release agreements. Parties interested in viewing Northwest's total subscribed and unsubscribed capacity should view Northwest's Unsubscribed Capacity report.
7	Month to month thereafter, subject to termination upon 10 business days notice by either party.
13	There are no delivery point MDDO's specific to this service agreement. Transportation deliveries shall be at or near the points described in Shipper's related currently effective service agreement under Rate Schedule TF-1.
38	The contract entitlement date is shown in the contract effective date field.
48	25 Year Evergreen Expansion contract.
66	Year to year thereafter, subject to termination upon 5 year written notice by Shipper.
82	The primary term for 3,220 Dth/d of contract demand is March 31, 2032; from the Ignacio Plant (1,289 Dth/d), Opal Plant (858 Dth/d) and Westgas Arkansas (1,073 Dth/d) receipt points and Reno Lateral Delivery Point (3,220 Dth/d). The primary term for remaining 4,448 Dth/d of contract demand is September 30, 2044.
83	The primary term for 39,338 Dth/d of contract demand is March 1, 2032; from the Ignacio Plant (13,699 Dth/d), Opal Plant (3,330 Dth/d), Sumas (21,893 Dth/d) and Westgas Arkansas (416 Dth/d) receipt points and Reno Lateral Delivery Point (39,338). Effective November 1, 2020, 4,291 Dth/d of capacity will be permanently released from contract 100049 to IGI Resources; from Opal (1,802 Dth/d), Sumas (2,489 Dth/d) receipt points and Reno Lateral Delivery Point (4,291). The primary term for remaining 2,197 Dth/d of contract demand is September 30, 2044.
89	Capacity rights may be limited pursuant to contractual provision(s) approved by FERC.
95	Shipper's Right of First Refusal does not go beyond October 31, 2025.
110	The primary term end date for 126,661 Dth/d of contract demand is October 31, 2026; and the primary term end date for 31,300 Dth/d of contract demand is October 31, 2035. For expiration dates associated with each specific receipt and delivery point listed herein, please see Docket No. RP15-184 wherein the Commission approved a non-conforming provision containing the detailed information.
163	Service agreement requires shipper to pay an incremental facilities payment for specified facilities and allows for a discount of the transportation rate provided the shipper remains within the primary path on the specified facilities.
